

Committee for Review and Recognition (CRR) Meeting

May 15, 2018, 11:00 AM to 1:00 PM

(via videoconference)

Regular meeting of the Committee for Review and Recognition. The CRR is one of three "working" committees which report to the Board of Directors. The CRR synthesizes data to formulate recommendations to the Board of Directors regarding the recognition status of state medical societies that wish to accredit intrastate providers of CME. The CRR also makes recommendations to the Board of Directors regarding recognition policy development. The CRR is comprised of nine members nominated by the intrastate accreditation system and elected by the ACCME's Board of Directors.
